

# SHEA SPEARS

## Shift Lead

### PROFILE

I am a hardworking artist and animator. I frequently communicate with friends and clients alike to complete personalized projects for enjoyment. When I am not working on my own art, I enjoy doing service work, leading and working with teams, and teaching others my skills.

### EDUCATION

#### **Middle Tennessee State University**

Bachelor of Science in Media and Entertainment; Minor in Art

Tennessee Int'l Indie Film Festival:

Selected August 2023

### EXPERIENCE

#### **Manager, Vanderbilt Stadium**

August 2023- November 2023

I managed multiple concession stands across the football stadium. I inventoried and ensured we had enough product on hand at all times, had adequate amounts of food prepped projected guests, taught revolving groups of workers how to use the equipment at each stand, bartended, and assured guest satisfaction.

#### **Associate, Spirit Halloween**

October 2023 – November 2023

I ensured products were in stock, maintained order and aesthetic in the store, and assisted customers in finding and building costumes.

#### **Apprenticeship, Star Cadet**

August 2023 – October 2023

I got to work in screen printing for a 30 day apprenticeship.

#### **Lead, Aramark**

August 2021 – September 2023

I was the lead cook who trained every new hire, ensured that our kitchen and back of house were up to company standards, and engaged with guests as a cashier. I ran multiple restaurants and concepts on a daily basis, and I was both an experienced opener and closer.

#### **Animation Lab Assistant, MTSU**

August 2020 - December 2021

I assisted students with animation equipment and software, held the keys to animation labs, and maintained media equipment such as graphics tablets, computers, and projectors.
